Greetings Family,

Thank you for letting me introduce you to God's next succession: The Global Apocalyptic Prayer Project – GAP for short. It is with a weighty burden that I take up at God's word, the following Global Apocalyptic Prayer Project. Time has come for use to come together to confront the darkness bent on demolishing humanity. Much damage has been done to the Lord's family, His possessions, kingdom, and the globe. While it appears, He is permitting or endorsing it, we His seed know that is not true. But our God is a harvester and waits for the fullest harvest He can get on everything sown in His creation. Well, His harvest time has come, and that means our time has come too. At the outset of this ordeal, God let me know He stages calamity to create His opportunities.

Which is what we are living today. Before I go into what the Lord gave me to share with you, let us first agree on the state of affairs that brought us into these dire times.

Humanity, and Christianity, face enemies more diabolical yet more subtle than our era has encountered. Our country is overrun with hostilities and unheard-of aberrancy² as cruelly ambitious tycoons plot our demise and our land's takeover. Many of you wonder what happened and how we got here. The Situation section of this briefing answers your questions in detail. Of the endless reasons one can give for our present state of affairs, subdual of the Lord's appointed guardians is perhaps the most insidious of them all. That guardianship constitutes the new creation ecclesia of the Lord Jesus Christ. Enter apocalyptic prayer.

DESCRIBING APOCALYPTIC PRAYER

To start, apocalyptic prayer is the duty of everyone born of God indwelt by His Holy Spirit³. It is prayer from heaven's placement above petitions to it. Apocalyptic Prayer is High Priority, High Authority Prayer for the King and His Kingdom. It exceeds soul winning Evangelical Prayer. Although, that is definitely not the sum of evangelical prayer vigils. Apocalyptic Prayer, however, is more than soul winning. You might not realize it or may have been talked out of it by coy, false humility sermon but does not do away with the truth. Apocalyptic prayer is principalic to principality prayer, supernally sovereign, and decretal⁴. That means it propagates edicts and promulgates decrees. You should not skip over these two terms because they are pertinent to your apocalyptic praying.

Do not be put off by the new terms; they are more fundamental than you would imagine. Supernal for instance means, "heavenly, divine, supreme. It pertains to that which is situated above earth's realms, and so celestial. Supernal means coming from or situated on high. Supernal applies to heaven and its spiritual citizens, agents, operatives, and operations, taken as superlatively good.

The word also indicates what is exceptional in quality or extent, the divine and celestial stationed in the sky.

² A state or condition markedly different from the norm. Deviancy, abnormality, atypical. Straying from the right way. Wandering away from accepted standards into the not socially acceptable.

³ Romans 8:9.

⁴ Decree; nature of a decree; An authoritative order, a body of laws, judgments, decrees, or edicts; Any decree or pronounced instruction.

While it is tempting to deduce supernal is just another way to say spiritual or supernatural, or religious, you would be mistaken. The heavens and celestial realms have no religion. Being spiritual does not make one particularly divine, at least not in our domains. Supernatural is merely natural, above the earth and humanity, but nonetheless mortal. It is not in God's realms or terrains. Neither supernatural's station nor stature constitute divinity or celestialty, despite what God's fallen angels purport. We the elect know they are demons as spirits are operate above fallen humanity, but they do so, as mortals and not supernals. Devils are dead spirits cursed and doomed by their Maker, which is why the Lord Jesus decreed Luke 10:19 "Behold, I give unto you power to tread on serpents and scorpions, and over all the power of the enemy: and nothing shall by any means hurt you." KJV.

Supernal, to complete the definition, connotes power, such as God's graces and virtues. Identifying it as superlative and exquisite makes it a perfect word to distinguish the human and earthly from the divine world's superiority and excellence. Supernality and excellence applies to God's apocalyptic children. They were passed on to us hereditarily by the Lord Jesus Christ's new birth. Supernal further defines and designates what is patently God Almighty and His elect from the rest of His creatures in this and every other world. How about the word sovereign?

We know right off that sovereignty as meant here pertains to kings and queens, and not necessarily to the playful or vanity pageants. It speaks to being self-ruled in one's land, sphere or territory as the person or institution with the highest power. Sovereignty exercises supreme authority within its defined sphere or region. Ours is supernal and eternal. Sovereigns are of a superlative quality. Do you see the word sovereign's connection to supernal? It is because all authority comes from above and is derived⁵ by those below. Sovereigns act and impose without subordinate interference. Remember now, this is *divine* sovereignty drawn from our heavenly seats inside of Jesus Christ as His body on earth. Sovereigns like us are made by Jesus Christ for His Father, Creator God. As their redeemed ones, we possess (and access) their royal power and dominion. When properly trained and practiced, we obtain their propensity for being very good and effective at what doing what they do from their realms. Keep in mind it is because we are seated in heavenly places in our Sovereign Savior. Also, remember all of this is so because Jesus Christ, our Redeemer was a Sovereign, the Sovereign of sovereigns, long before He incarnated as Savior of the world. To be a potent apocalyptic pray-er you must first become a persuaded one.

As you can surmise, what the Lord expects of His progeny is more than verbal claims to royalty or sovereignty. He expects us to comprehend thoroughly why He procreated us as Christ's seed and what we are to do with the

exalted status He embedded in us. For the kingdom of God is within you⁶. The Lord attributes and endues us as His royal offspring on earth to exercise His sovereignty in the flesh by the Holy Spirit. Surprisingly, all this is spelled out for us in Scripture. So how does it relate to apocalyptic prayer? Besides what has been said so far, the answer is in the synonyms chosen in place of the word 'apocalypse'. In Strong's, apokalupsis is G602. Eighteen times, it is used, beneath the following synonyms:

1. Revelation – Romans 2:5; Revelation of God's righteous judgments.
2. Revelation – Romans 16:25; Revelation of the mystery of Jesus Christ.
3. Revelation – 1 Corinthians 14:6; Revelation knowledge, prophecy, doctrine.
4. Revelation – Galatians 1:12; How Jesus Christ taught the apostles, especially Paul.
5. Revelation – Galatians 2:2; How Jesus by the Holy Spirit sent Paul to the apostles in Galatia.
6. Revelation – Ephesians 1:17; How Jesus Christ gave Paul, His 1st Gentile apostle knowledge of Himself.
7. Revelation – Ephesians 3:3; How Jesus deposited His mysteries the Apostle, Paul.
8. Revelation – 1 Peter 1:13; Jesus' disclosures, unveilings, and appearances.
9. Revelation – Revelation 1:1; Jesus' transmission of His eschatology to John His apostle.
10. Manifestation⁷ – Romans 8:19; the apocalypse of God's offspring, those in Jesus Christ before the foundation of the world; the reason we are His elect.

When you delve deeply into the Scripture passages above and their accompanying statements, you pierce the veil that conceals God's word concerning His genetic children. What you find will insight you on apocalyptic prayer and its potencies, especially concerning rescuing, saving, restoring, and guarding God's earthly kingdom. Additionally, apocalyptic prayer is situational, stationary prayer. It is praying from above where Jesus Christ sits at the right hand of His Father. But you should know that more than a conceptual notion of having Jesus Christ very mind in (and at work) you is imperative. He thought it not robbery as God's offspring to be His equal and neither should you as His apocalyptic progeny, based on 2 Peter. He says we are partakers of God's divine nature and there are more Scriptures besides these to solidify the fact. Jesus declares in John chapter 8 that His laws says we are gods; He brings forward Psalm 82 to reiterate it. Thus, as He is, so are we in this world. Accordingly then, apocalyptic prayer can only be done by Romans 8:19's elect of God. And from them, those whose word, works, and standing with the Almighty are firmly sanctified. See Scripture passages below.

John 1:12 "But as many as received him, to them gave he power to become the **sons of God**, *even* to them that believe on his name."

⁶ Luke 17:21, which explains 1 Corinthians 3:21.

Romans 8:14 "For as many as are led by the Spirit of God, they are the sons of God."

Romans 8:19 "For the earnest expectation of the creature waiteth for the manifestation of the sons of God."

The designated outcome from our initiative is halting the encroaching darkness and reestablishment of the Lord's global dominion in the world and the souls that occupy it. Here is what I propose in brief. Before getting into the heart of this package, I want to start with prayer so that you are readied to engage in this project to get about your Heavenly Father's business.
