The Eternal Elect's Principalic Prayer

EXERTING OUR APOCALYPTIC AUTHORITY

YOUR APOCALYPTIC PRAYER PROJECT
PREPARATORY PRAYER

Dear Global Apocalyptic Prayer Participant,

With a weighty heart I encourage your participation in the Apocalyptic Prayer Project. We must unite to confront the darkness bent on demolishing humanity. Much damage has been done to the Lord's family, His possessions, kingdom, and the globe. It appears He permits or endorses it. Of course, you and I know that is not true. In reality, our God is a harvester that waits for the fullest harvest He can get on every kind of seed sown in His creation. Well, another harvest time has come for Him, and that means our time has

come too. God stages calamity as His opportunity, which is what we are seeing today. As tragic and appalling COVID-19 is, it nonetheless presents us with opportunity to reset the world: What those orchestrating this illusion are doing. But you should know they are not the only ones with a vision for the future to manifest on earth. Our God, as Alpha and Omega, determined long ago how the 21st century will progress, and that it will do so by His plans. So do not fall into the panic trap of hysterical thinking. Cold, calculating logic went into this ordeal on both sides. We are on the winning side because we are the Godhead's offspring, His apocalyptic family fused with heaven. Our status empowers us to:

Takeback, Rule, Undo, Takeover, Halt

the darkness usurping us and obstructing God's hand.

The Global Apocalyptic Prayer Project is the first step in the Lord's resolution and recovery initiatives. It is a campaign that will upgrade and elevate the traditional Christian. It is designed to manifest us as the Almighty's apocalyptic response to the unchecked darkness preying on humanity. Take these packages seriously and follow their plan's processes and procedures meticulously so we achieve global success. Remember, what we face today is new to us. It is not new to the Lord. He has defeated the dragon and his hellions before, and always with His family. We have opportunity for us to show ourselves as apocalyptic newcomers how equal to the task we are. Our victory will induct us into the legendary ranks of God's league of champions who triumphed before us.

Global Apocalyptic Prayer Project

Setting It All In Motion

Apocalyptic Prayer Consecratory Readiness

Apocalyptic Appellate Prayer Guide

High Powered Prayer That Overturns Low-Level Spirit to Flesh Judgments, Decisions, Sentences, and Penalties.

What is Global Apocalyptic Prayer?

Global Apocalyptic Prayer Project is supernal sovereign appellate² prayer. It is authoritative principalic prayer where earth's victims and judgments are escalated to Jesus' throne by way of His apocalyptic sons and daughters. Apocalyptic prayer engages opposing forces and agencies from heaven's high seat where the Lord's authority is directly invoked as creation's Sovereign. It is prayer led and engaged in by mature, extensively seasoned spiritual intermediary agents and representatives. Keep the word intermediary in mind because it is concentric to apocalyptic supernal prayer. Intermediary prayer is "go-between" prayer that creates a bridge between heaven and earth as more than a petitioner. It is higher than intercession because it does more than plead a cause or supplicate. It is weighty prayer that encompasses and intermittently involves arbitration, negotiation, and conciliation. Look these terms up for their collective relevance to God's apocalyptic seed's duty as His elect. Refereeing, peacemaking, judging and authority more than influence are all elemental to apocalyptic prayer. We go through these terms and their applied actions as we migrate to Apocalyptic Christianity.

Here are some for instances. Intercession pleads with God on another's behalf. It may state the case and cite the other party's eligibility for God's intervention. Intercessors we know them today, tend to be mostly verbal. Not to trivialize, but merely to exemplify its value, little else is expected of them beyond, something akin to putting in a good word on their petitioner's behalf. Again, the example is not to trivialize but to illustrate basic intercession in modern terms. Insistent intercessors relentlessly keep the person's

name before the Lord. Actual fighting and pushing back dark forces controlling the situation and withstanding its resolution better fits the meaning of intervention. And, it may be characterized as “spiritual warfare”. Intervention is positioning oneself between suffering and cause, and it demands more than prayer closet petitions to convince God of another’s merits. Intervention exerts superior pressure on subordinate instigators and thereby effect spiritual releases that manifest physically (or literally). Whereas influence more defines the intercessor’s qualifications, interveners stand in the gap, between heaven and earth as agents, judges, authorized authorities. They generally hold spiritual and at times, occupational positions higher than the sufferer, the troubler, and the crisis. This is because after interceding they have power and authority to intervene. That is, carrying out in the natural realm the victory they wrought in prayer. It is true that two or three can, and should, gather together in Jesus’ name to pray. It is also promised in His word that He will hear them. Depending upon the severity of the situation, the trio’s petition is granted. But consider the following alternative views beginning with Acts 9:36 and 9:43.

In Joppa, there was a woman named Dorcas whom Scripture and her fellow believers testified was a good and giving woman. She gave alms and was full of good deeds. Despite their testimony of her goodness, Dorcas or Tabitha, her real name, died. Those with her were devastated and no doubt prayed about it. However, it took the Apostle Peter to bring her back to life. Not with a prayer group, for he put everyone out of the room before he prayer. Were they God’s children, apocalyptic if you will. Yes. But they had not spent the time with the Lord, completed His classes or were conditioned enough to face and reverse death. That takes time and a rigid devotion to Jesus Christ who is the resurrection and the life; not just good deeds. Other examples are to be found in:

- Jeremiah 15:1
- Ezekiel 14:14, 16

In addition, look at what Albert Barnes says about Jeremiah 15:1. “Cast them out of my sight - Rather, “send them out of My presence, and let them go away.” The *prophet* is to dismiss them, because their mediators, Moses and Samuel, whose intercession (*intervention no doubt had yet to make into their language*) had been accepted in old times (marginal references), would intercede now in vain.”³ And there are more. The intercessions of Moses, Samuel, Daniel, Noah, and Job are legendary in God’s mind. Yet, He reached the end of His longsuffering and concluded after all His efforts, His people then were beyond remedy and redemption. Still, the point is made. Heaven records five men, all prophets, made it into the

³ “The prophet had prayed earnestly for them, and found some among them to join with him; and yet not so much as a reprieve was gained, nor the least mitigation of the judgment; but this answer is given to the prophet's prayers, that the decree had gone forth, was irreversible, and would shortly be executed.” Matthew Henry.

Lord's eternal archives as having power with Him to reverse human conditions and earth's tragedies. God's righteous judgment notwithstanding, His commemorative interceders' fidelity gained them immediate audience and favorable reconsideration of the cases they brought to the Almighty. Evidently, they were mostly successful, else why bother to single them out and recall them in His eternal record? Yahweh held Elijah and Elisha in similar esteem.

Fast forward to the New Testament where God is going global. The Old Testament prophets served a single nation, but that was not God's ultimate goal. He had already prophesied up to then that He would take from the nation's a people for His name; meaning He would grant them Israeli status on account of Abraham and engraft them into His commonwealth covenant. The apostles and those they birthed extended what their predecessors did to all nations. The Holy Spirit who occupied Israel's atmosphere now occupying people changed everything. His doing so begot the new creation, God's apocalyptic offspring we have been talking about so far. God has a family on earth, replicating Jesus Christ, His first begotten. To safely and effectively engage in the **Global Apocalyptic Prayer Project**, you have to assimilate these truths in your soul. Not just as concepts but as realities that define you, who you are to God and Christ and what it means to creation. One last illustration is what we all know to be our nation's Court of Appeals. Think of the name and their judicial function in the country is clear. That function did not begin with humanity, it originated in God's world. The five prophets named earlier inherited their appellate designations and authority from the Almighty. You stand in a similar place, but not on your own. And you should know as we enter this project that God honors His offices and officers, levels, and grades of service, and you should too. Do not assume or behave as if you are equal to those the Lord assigned over you. Prayer, apocalyptic or otherwise, does not put you above them. You do not want to court the consequences of self-promotion by insisting they take your word for it. Or, that they submit to you on such grounds. If you do, you will venture into the spirit realm judgeable and ill-equipped without their education, training, and practice.

Another **Global Apocalyptic Prayer Project** requirement is as the Apostle Paul says, your work of faith, and labor of love, and patience of hope (are rooted) in our Lord Jesus Christ, in the sight of God and our Father." And, that 1 Thessalonians 2:13 is your anchor and stronghold. KJV. long history, and regiment of entering God’s realm to transact business, and administrate His affairs for Him from heaven down. Yes, that is what Apocalyptic Prayer is, from heaven down. This is so because those praying are doing so from their heavenly seats in and around God’s throne; much more on this later.

Apocalyptic Prayer is--Supernal Sovereign Prayer. Its prayers descend from God’s throne as opposed to intercessory or interventional or other classic prayers, ascending from earth to heaven to retrieve its responses to earth. For your edification, study in-depth the words *supernal* and *sovereign*. Compare *supernal's* meanings with the words spiritual and supernatural. My Combined Learning Statement

What I found out, and learned from my studies about the four terms is:

Essential Scripture Premises

Qualified Apocalyptic Prayer engagers spiritual eligibility is according to Scripture. Ceaseless service, devotion, and prayer are the chief criteria, see below.

- Acts 12:5 “Peter, therefore, was kept in prison: but **prayer was made without ceasing** of the church unto God for him.”
- Romans 1:9 “For God is my witness, whom I serve with my spirit in the gospel of his Son, that **without ceasing** I make mention of you always **in my prayers;**”
- 1 Thessalonians 2:13 “For this cause also thank we God without **ceasing**, because, when ye received the word of God which ye heard of us, ye received *it* not *as* the word of men, but as it is in truth, the word of God, which effectually worketh also in you that believe.”
- 1 Thessalonians 5:17 “Pray **without ceasing.**”
- 2 Timothy 1:3 “I thank God, whom I serve from *my* forefathers with pure conscience, that without ceasing I have remembrance of thee in my prayers night and day.”

What Apocalyptic Prayer Does

Apocalyptic Prayer engages forces opposing the Almighty in potent and proprietary⁵ ways. Yes, I used the word proprietary⁶ because that is what those fitting the description of Revelation 1:6 and 5:10 are to the Godhead; their proprietary officials and agents. Beneath the surface they are not, exactly, the same. The Apocalyptic Force should never thoroughly orientate novices and stabilize unsettled or immature participants. Those with lingering demonic bondages or influences should also be excluded until complete deliverance has been achieved, and not assumed. The most effective prayer force will comprise leaders, particularly senior leaders, apostles, prophets, and veteran intercessors and highly trained and experience interveners. Having laid a solid foundation for us to journey on to advance our project, We start with prayer so that after praying it you can get right to work being about your Father's business. Let's start by binding up the months of darkness preying on your home and family. Here is your Global Apocalyptic Project Readiness Prayer.

Note the 4 Apocalyptic Prayer Standards:

- Stature – Reputed Distinguishment -- Sovereignty

⁵ Patented, branded, exclusive, registered and trademarked; copyright and classification proacteded, privately owned and operated; possessively watchful, territorially guarded.

⁶ Proprietary is ownership.

- **Status** – Apocalyptic Elect – Holy Nation, Royal Priesthood
- **Station** – Apocalyptic Level, Location, Situation
- **Standing** – Godhead’s Uprightness, Stance & Conviction
 - To the above, you can add ‘steadfastness’ because few prayers are sprints. Most are marathon that requires steady and relentless pressure to be put on a target to weaken, dissolve and dissolve it.

These all refer to and reflect your “born from above, Godhead gene offspring” consciousness and mindset: The very mind that was and originated in Christ Jesus. Christ recognizing His Anointed Kingship and Jesus His salvation appellation. You want to voice these words every day, particularly before you engage in your Apocalyptic Supernal Prayer. So named because it involves the highest power appeal by those fitting the definition of Revelation 1:5 and 5:10. Apocalyptic prayer exceeds asking, petitioning and typical supplication. It supersedes and imposes. Take a moment to study these terms to realize what the Lord is calling us to do as His pneumatic offspring. Now for your Apocalyptic Elect Children Prayer.

Our Consecratory Prayer To Our Heavenly Father

Make these prayers part of your daily routine to remind yourself of who you are and why you qualify to participate in this project. Also, to keep your communications open to build trust with the Lord for Him to see you are serious about to His global project’s advancement. Try not to sidestep this all-important requisite. After all, it is a prayer project, so you should become quite accomplished at moving God’s realm to intervene in this one, and to cultivate a potent presence among the gods of this world as His apocalyptic offspring.

Dear Heavenly Father,

We thank you for being our God and we thank Jesus Christ for being our Savior. We glorify you as God even in these upsetting times. We bless you oh Lord for being merciful to us, and for loving us with your steadfast love. We know Dear Lord that what Satan means for evil, you the Almighty, turn for good. So, Father, we look for your good to come from this wickedness. Be magnified Heavenly Father and exalt your great name above those that hate you. Get your victory as you wrench your people from their grip and the devious plots of destruction. Set us free to worship you in spirit and truth as our Lord and Savior Jesus Christ teaches us in your word. Sanctify us to be your holy vessels of glory again. Father bid us to return to you cleansed of all worldliness and its wickedness. Teach us, this 21st generation, who you are, all about yourself and the ways you walk in; Holy Father covers us in these uncertain times, in Jesus' name we pray, amen.

Dr. Price’s Apocalyptic Interventional Prayer for You

I speak healing and protection by the blood of the Lamb slain from the foundation of the world for our sins, moral, medical, and physical. I command every vulnerability and susceptibility in your life to be purged by our God’s cleansing fire and Christ’s sinless blood. I decree no weapon formed against you prosper and may the Lord nullify every tongue that judges you in this battle. I task the angelic guard appointed to you and yours, to prevail and capture your every victory. No matter the conflict, may the Lord empower His hosts to get the Almighty’s blessing to you to offset every loss and pushback every dark agent engaging our God and His people in this fight. I ask our heavenly Father and His Son, our Savior, Jesus Christ to hide you from calamity, death, disease, and adversity. The full Godhead, God the Father, God the Son, and God the Holy Ghost strengthen and reinforce the angels they encamped about you and yours, in Jesus’ name, amen.

My Daily Heavenly Sovereignty Assertion Prayer & Creed

The following is your Daily Heavenly Sovereignty Assertion Prayer. It is to situate you in the prayer posture of the Almighty’s progeny that entitles you to engage His powers, forces, and agents in the earth realm. See slide.

Dear Father God,

First, I thank you for all you have done for me, especially trusting me with your **Global Apocalyptic Prayer Project**, its appointments, and privileges. I bless you, Dear Lord, for your goodness and mercy. I appreciate and celebrate you more than human words can say. As your very seed Father, I present myself to you as your, living sacrifice. Thank you for my Lord and Savior Jesus Christ whose shed blood made me one of your chosen elect ones, your apocalyptic offspring in the earth. I recognize Lord that this puts a weighty burden of responsibility on me as a member of your Godhead’s lineage and I accept it with your help and strength. I know Father God that my position in you sets me above all principality and power and every other name of being in Jesus Christ. For that is what it means to be “seated in heavenly places” hidden behind the “veil of His flesh,” Father I rejoice in it. Another realization is that as your apocalyptic seed, I am situated among your other high powers and obliged to undertake what

they undertake, to execute what they execute, and accomplish what they accomplish in this world. Thank you for the opportunity to fulfill Jesus Christ's and my joint destiny in Him. Truly it is a privilege.

This prayer is me, _____ reporting for my apocalyptic duty to prayer, interpose, intervene, and supersede, as an adult child would do for an exalted prestigious parent. I honor you in this assignment.

Father, to prove I give your word first place, I have read and reread the Scriptures you attached to this project. I commit them to memory to recite them verbatim when I engage the forces of wickedness and darkness. I have cleansed my soul and my life for this exalted responsibility to accommodate your eternal purposes. I have sanctified myself by repenting and remitting anything that compromises my edicts and decrees as your sovereign offspring in Christ. I have purged my lips and cleansed my tongue to be used by your Holy Spirit to enter into this campaign and complete the tasks it assigns me. Lord, I will keep myself clean from sin, and guard against backlash seductions.

Dear Father God, as I engage in each day's Supernal Apocalyptic Prayer, I assert that I am and will live and function as your APOCALYPTIC ELECT, according to your word walking in the truth. With my divine nature, as 2 Peter 2:14 puts it,

- I situate myself on earth among your eternal sovereigns in the being and person of my Savior Jesus Christ, the head of all principality and power, evidencing my apocalyptic **STATURE**.
- I assume my duties as one of your highest principalities in all creation's realms as your lawful and lineal principality and power establishing and maintaining my, under sovereign **STATUS**.
- I occupy my station as retriever, defender, and guardian of your possessions and revealer of your truth and glory within my earthly vessel, working and warring as recoverer of your people and strongholds to demonstrate my **STATUS** as your offspring.
- I assert my mind, heart, head, and hands are clear enough to exercise my apocalyptic sovereignty on your behalf without hypocrisy, impurity, duplicity, or carnality to bring shame to your name, or profanity and blasphemy to your truth and righteousness.

Father I as King David says in the 18th Psalm and ready to take on my portion of your great cause by serving you with clean hands. From this day forward oh God, I champion your causes, giving them priority in my life. I use my rank and authority in the Lord Jesus Christ to expose all darkness; to remove all evil from our respective high places, and to impart and install your righteousness and wisdom in all the earth. I am your advocate and can be relied to uphold you as a vessel of your divine nature; the ways Jesus did when He walked the earth. These are my vows to you my God for all your benefits, richness, and mercy toward me. In Jesus' name, amen.
